UCX450 ENTERPRISE OFFICE PERFORMANCE

Powerful, complete communications.

Enterprise grade communications for your mid-sized, multi-site, or HQ office.

UCX450 is packed with all of the features and applications that you require for your busy office. The platform is perfect for offices with up to 450 extensions and it networks seamlessly with our SMB servers allowing the UCX450 to serve as a headquarters solution with multiple branch offices and remote workers.

Additionally the UCX450 supports, PRI and Analog trunks, and unlimited SIP trunks.

You can choose from our Infinity 5000 line of telephones, seamlessly migrate to UCX from a Nortel solution and retain your digital and IP telephones, use standard SIP telephones, or use the Infinity One soft client both in or out of the office.
