

Smart design, sharp display, crisp audio.
Built for your business.

Infinity 5000

Perfect For:

Modern workplaces of any size — from front desks to executive offices. The Infinity 5000 Series delivers a user-friendly experience, crystal-clear audio, and flexible connectivity options to keep your teams connected, productive, and ready for anything.

Maximize Your Investment & Productivity:

- ✓ Combine your current devices* seamlessly with Infinity 5000 series IP Telephones
- ✓ Boost efficiency with Infinity 5000's cutting-edge phones and smart mobility clients.
- ✓ Customize your device mix to perfectly align with your unique business requirements.

Why Choose Infinity 5000 Series?

- **User-Friendly Design** – Intuitive interface for easy setup and operation.
- **Advanced Performance** – High-speed connectivity with reliable, uninterrupted service.
- **Robust Security** – Enhanced encryption to keep your communications safe and private..
- **Energy Efficient** – Optimized for low power consumption, reducing operational costs.
- **Durable Build** – Engineered to perform in demanding environments.
- **Exceptional Support** – Backed by expert technical assistance and regular updates.
- **Hot Desk Enabled** – Easily move your personal telephone settings to any phone.
- **No-Touch Provisioning** – Fast, no-touch provisioning of all 5000 series phones.
